CLASS PLACEMENT & ATTENDANCE

All beginners are placed according to age. Students with prior dance experience are placed according to ability. Our goal is to maintain a high level of excellence in classical and contemporary dance training. As a student progresses, more frequent classes are required. Students must take the required number of classes for their level and are encouraged to take extra classes. A student may always add lower level classes and may take higher levels with permission of the director. Please call when a student must be absent. Missed classes should be made up promptly. Students should sign in when they make-up a class or are tardy for class. Good behavior is expected of each student. We reserve the right to dismiss any student who is disruptive.
