

The Alabama Dance Theatre will hold Auditions for our 36th Season Company on Wednesday, July 27th.

Dancers age 11 and up (females already placed en pointe) will take an audition class at 9:30am. Dancers in Ballet 4, 5, and Advanced levels will audition at 11:15. Dancers audition for placement in Apprentice, Junior, or Senior Company. Pre-registration is strongly recommended.

ADT Company dancers perform three times a year at public performances at the Davis Theatre and the Riverwalk Amphitheater. Additional performance opportunities and collaborations arise throughout the year. Company members are encouraged to participate in ADT's community engagement and educational outreach programming and represent the Alabama Dance Theatre in our community.

A weekly Company Class exclusively for Company members is held on most Sundays. Rehearsals for performances are usually held on Tuesdays, Thursdays, and Sundays. ADT occasionally hosts guest teachers for Master Classes, and ADT Company members are invited to take those classes at no cost.

ADT Company Juniors and Seniors are expected to attend the annual Regional Dance America Festival in late spring.

For more information and details, please visit the ADT main office for an Audition Packet during Seminar.
