CLASS PLACEMENT & ATTENDANCE

All beginners are placed according to age. Students with prior dance experience are placed according to ability. We welcome new dancers. Dancers older than 4th grade will need to take an initial placement class.

The goal of ADT's school is to maintain a high level of excellence in classical ballet training. As a student progresses, more frequent classes are required. Students must take the required number of classes for their level. We encourage dancers to take additional classes in a variety of dance styles as their schedule and placement allow. Please call the office or email adtdance1@gmail.com to request permission for any absences. Faculty will determine whether an absence is considered excused or unexcused. Unexcused absences will be recorded, with a maximum of three unexcused absences per semester or the dancer will not be allowed to perform in Recital. Missed classes should be made up within one week of the absence (Ballet 1 and up).
